6.	Sh. Mukesh Kumar	Assistant Programmer	Invitee	Offline

Following representatives of different PSUs participated in the pre bid meeting

S. No.	Name	Designation	Firm	Mode of Joining
1.	Sh. Anurag Tiwari		NISC	Online
2.	Sh. Hemant Yadav	Joint GM	RailTel Corporation of India Limited	Online
3.	Sh. Yatin Singh	Deputy Manager	RailTel Corporation of India Limited	Online
4.	Ms. Priyanka Das	AM S&T	Ircion International Ltd	Online
5.	Sh. Vijay Nehra	-	RailTel Corporation of India Limited	Online
6.	Ms. Rashmi Priyadarshni	AGM S&T	Ircion International Ltd	Online
7.	Sh. Rahul Rawat		BSNL	Online
8.	Md. Anas	Manager S&T	Ircion International Ltd	Online
9.	Sh. Pratik Karathiya	Project Manager	CSE e-Governance Services India Ltd	Offline
10.	Sh. Sheshmani Bhardwaj	Account Manager Govt.	Quantum Networks	Offline
11.	Sh. Ravi Sharma	Manager	Ishan Netsol	Offline

The discussion held in online mode has been recorded for future reference.

Following are important deliberation in the meeting.

1. In the whole network architecture, existing system/parts will be replaced by new system with new parts as per the requirement. In no case, old part will be reused in the system for replacement.
2. Complete process on PSU finalization for implementation on the work will involve in following steps.
 - i. Pre bid meeting
 - ii. Campus visit for requirement assessment by PSUs
 - iii. 2nd pre bid meeting if requested by any PSU
 - iv. EOI submission by PSUs
 - v. Eligibility document evaluation.
 - vi. Presentation by eligible PSU, shortlisted on the basis of document evaluation.
 - vii. Issue of Request for Proposal (RFP) containing agreed specification/BoQ/ Period for completion of the project:
 - (a) Bifurcation for new items and replacement component out of the total quantity of different components will be provided RFP issue by DTU.
 - (b) Entire optical fiber network/cable to be replaced. The existing fiber network may after repair be used as backbone to reduce the down time or in other manner if suitable.
 - viii. Pre bid on RFP, if required.
 - ix. Submission RFP in two interval system i.e. technical bid and financial bid.
 - x. Technical bid opening and document verification.
 - xi. Financial bid opening and selection of firm
 - xii. Award of work---- signing of contract.

These steps may be modified as per the need.

3. DTU expect for best value of money and has no specific brand preference.
4. In the experience parts without any prejudice there should be a proper balance at experience in Wi-Fi and networking. The PSU has to quantify how much each component was there in its every experience used for EOI purpose. Also employees whose CV is mentioned with the EOI should be regular employee of the PSU who will be lead in this project by PSU. Any shortfall in number of CV submitted, marks will be awarded on pro-rata basis.
5. Current network diagram will be provided in RFP. PSU during the site visit may have a look of such diagram.

6. Date of visit for DTU campus for physical evaluation is scheduled on Jan 05th to Jan 08th, 2026. Two PSUs (one in the forenoon and another in the afternoon) will be facilitated for this purpose. Interested PSUs will submit two convenient dates to them for such visit by Jan 03rd, 2026. DTU will issue an appropriate schedule for visit on Jan 04th, 2026 (all communication will be through email only). The final date of submission of EOI may be revised based on input provided by the different PSU/firm after their visit to DTU campus.

7. Joint venture collaboration between PSU as EOI submitting vendor is not allowed.
